

Homework: You Shall Not Steal

Complete this sheet and bring it with you to class on November 21.

Read Luke 19, then answer the following questions about verses 1-10.

What does Zacchaeus do for a living? Why do you think people would call him a “sinner” in verse 7?

During Jesus’ time, tax collectors would often take more than they had to take from the people in order to line their own pockets. How would you feel if someone charged you \$20 for something that only cost \$15, just because they could?

Why do you think Zacchaeus was so interested to see Jesus that he would run ahead of everyone else and climb into a tree to see Him? Do you think this is “normal” to do for someone that others would consider a wicked and evil person?

What invitation does Jesus make to Zacchaeus? What is his response?

Personalize It! – Put your name in the place of pronouns or nouns used in Scripture.

Use the ***Personalize It!*** method of Bible Study on verses 9 and 10. Write out the verse with your name below:

How would you feel if Jesus were in the room and said this very thing to you today? What would your response be?

For in Scripture it says: “See, I lay a stone in Zion, a chosen and precious cornerstone, and the one who trusts in him will never be put to shame.” (1 Peter 2:6)
